in my dreams..

located between the conscious and do not ... asleep, but I'm not sure quiet, cool ...
fragrant scent of sandalwood, I feel very close, give peace and comfort ...

CLOSENESS

"nobody knows the real me, only ONE knows me"

Behind the concept

A recurring dreams that initial inspiration from the photos, a picture of spiritual closeness with God that can not be expressed with words a lot. Journey of life processes that make emotional formations of the unconscious that sometimes I can not realize that eventually contained in the photographs.
