

Mohadeseh is a trance. A girl with a boy's brain.

Because of his behavior, His family beat him. his teeth fractured and he suffered a great deal of damage.

After a while she fell in love with her teacher, Zahra.

Zahra worked for him and paid for all of his surgeries so they could marry.

Nowadays, Mohadeseh with the new name of Amir Ali, he has undergone surgery.

Zahra and Amir Ali love each other and now live together in one house.

In Iran, trances are in very difficult conditions and people are mocking them.
