Ungoing Projects

- Founder of The Collageclub 2015-dd. An international group of collage artists who make one collage every week based on the same page.
- Founder of Februllage, artists all over the world take on the februllage collage challenge by making one collage a day the entire month based on the official prompt list. Collaboration with the Edinburgh Collage Collective.
- Founder of The Scandinavian Collage Museum. A museum focusing on contemporary collage-art. With exhibitions of e.g. Winston Smith, E.K. Wimmer, Michael Tunk, and many more. Openend 08-2016.
- Founder of The Collage Garden, an international project. Collage artists around the world who grow a garden together. First one appeared august 2017 in Norway, south for trondheim. Second garden december 2017 Leidschendam Nederland. Third garden spring 2018 New York, USA. Fourth garden Summer 2018, Moscow, Russia. Fifth garden Autumn 2018 Kathmandu Nepal.
- The pink slug 2016-dd Small clay pink slugs travel around the world and are photographed on diverse locations by different artists. The kaputar pink slug has the dubious honour of being in the top ten list of most threatened animals by climate change.
